March 1, 2016

Dear Prospective Event Sponsors,

I have forwarded this 8th Annual Kiwanis SHOES-FOR-KIDS-TENNIS SHOOTOUT informational package to you with the hope of enlisting your support for this important event, April 8-10 at both the Twin Isles Country Club and Sandra's Restaurant in downtown Punta Gorda.

Last year's tournament raised enough revenue – through donations and player entry fees – to provide 700 pairs of athletic shoes (a new record!) for the neediest kids in our own county, kids who literally are reduced to wearing flip flops, shoes too small, and worn out shoes with holes in the soles to school.

The presenting PLATINUM sponsorship is available this year – after Giovanni Foods stepped up the past few years – at \$750. The GOLD LEVEL is available for multiple donors at \$500 as are the SILVER at \$250 and BRONZE at \$100.

I have included tax deductible sponsorship details along with a sample player entry blank for your information and review.

Thank you in advance for your consideration in helping us continue to grow the program to benefit the least fortunate children in our community.

Sincerely yours,

Jak Beardsworth

Jak Beardsworth, Tournament Director
